

Permission and copyright release form

This form relates to the audio and/or video recording made by Colin Woods (the artist) on the date specified beside the subject's signature below. Part of the artist's practice includes using interviews, environmental recordings, found recordings, and segments recorded specifically for purpose.

Thank you for allowing me to use your voice as part of my creative palette.

- I acknowledge that this audio and video recording is being made for the purpose of producing a creative work or works, and I waive all copyright interest in the recording.
- Permission is given to the artist to identify the participant in the work (*delete if required*)
- Permission is also given to the artist to use the recording anonymously and without individual or collective attribution
- I understand that the recording may be subject to further manipulation and presented together with other recordings in audio works including installations and electroacoustic compositions. My words will not be edited in a such a way as to misrepresent the sense of what I have said in an offensive way.
- I understand that my voice may or may not be recognisable. Once it is incorporated in a work it will not be possible for me to revoke the permissions given above.

Participant Name: _____

Signature: _____

Date: _____
